Conditions & Regulations

1. Rates listed are subject to change without notice.
2. Rates listed cover only the provision of service to the exhibit space in the most convenient manner and do not include connection equipment or special wiring.
3. All material and equipment furnished by Kentucky Exposition Center (KEC) for a service order shall remain KEC's property and shall be removed only by KEC at the end of the event.
4. All equipment, regardless of the source of power, must comply with all national, state and local safety codes.
5. All equipment must be properly wired and tagged with complete information including type of current, voltage, phase, cycle, horsepower, etc.
6. All cords provided by an exhibitor must be the 12/3 wire ground type. All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded.
7. All fountains and pumps should have Ground Fault Interruption (G.F.I.) protection.
8. Special equipment requiring company engineers or technicians for assembly, servicing, preparatory work and operation may be executed without a KEC electrician. However, a KEC electrician must make all service connections and overload protection to such equipment.
9. Unless otherwise directed, KEC electricians are authorized to cut floor coverings to permit installation of service.
10. Claims will not be considered unless filed prior to the end of the event.
11. Exhibitors shall pay for any required services, equipment, material and technicians at prevailing rates and conditions at the time of the event.
