& UTILITY EQUIPMENT EXPOSITION

Official Vendors

We have negotiated agreements with a select group of companies who are responsible for providing services needed for installation, day-to-day operations and dismantling of exhibits. Order forms and descriptions of their services and rates are in the Exhibitor Services Manual. We recommend adding the email addresses listed below to your safe sender list to receive all show and vendor communications.

Beware of unapproved vendor solicitations!

As we approach the show you might be solicited from a variety of vendors for different services. Please be aware only the companies noted on the Official Service Vendor List are affiliated with shows and endorsed by us.
